

## E.SUN Bank Singapore Branch eBanking Services Application Form

The applicant hereby applies to E.SUN Bank for the  **application** /  **suspension** /  **reactivation** /  **annulment** of the items checked below of E.SUN Bank Singapore Branch eBanking Services (hereinafter referred to as "eBanking"). The applicant understands that after the first application for the eBanking services, and the Bank will not reissue the login password slip and transaction approval device for any subsequent new services or accounts applied for by the Applicant.

### A. Applicant Basic Information

<b>Name (English)</b>	<b>Customer ID</b>	<b>SG</b>
<b>E-mail</b>	(up to one email)	

1. The E-mail address is used for sending important notices on the eBanking services. For the first application, please make sure to fill in the information accurately.
2. For the first application or change of the email address, the email will not take effect until the completion of the email sharing checking and verification as the Bank required. For the first application of eBanking, the users are able to login only after email verification has been completed or the retained email is already verified by other systems of the Bank.
3. For the first application of the services, all of the fields above are required. For subsequent changes or cancellation of service items, only the name in English and customer ID shall be filled in.

### B. Authorization management and approval mechanism

#### I. Authorization management

- Disable Authorization Center (single user with access to all of the functions and services)
- Enable Authorization Center (multiple users)

Authorization type	Authorization setting	Authorized persons may also conduct transactions
<input type="checkbox"/> Standard authorization <input type="checkbox"/> Full authorization	<input type="checkbox"/> Single user setting (one tier) <input type="checkbox"/> Effective after supervisor release (two tiers)	<input type="checkbox"/> Yes <input type="checkbox"/> No

Note: A friendly reminder: please verify your company's usage needs before conducting the application for authorization management. If Enable Authorization Center is to be changed into Disable Authorization Center, or Full authorization is to be changed into Standard authorization, the applicant understands and agrees that the eBanking service shall be cancelled by the Bank and a new application shall be filed.

#### II. Transaction Approval mechanism (please choose one)

Please choose the transaction approval mechanism best suited to your company's transaction needs and fill in the respective "Designated Account Application Form" based on the chosen mechanism.

- The mechanism of application for approval is SoftToken (application for usage of Enquiry version or login + transaction approval. For the Enquiry version, the Designated Account Application Form do not need to be filled in.)
- The mechanism of application for approval is FXML certificate (■SoftToken will need to be applied for separately to go with the login or transaction approval)

### C. Security device application
